Good evening Councilmember O'Farrell,

On behalf of the Hollywood Sunshine Coalition I am making this request under the public records act for copies of all emails to and from your account at mitchof13@gmail.com from July 1, 2013 onward to the present day. It's clear from our work that you use this account to conduct public business. As I am sure you are aware the California Supreme Court found last year in City of San Jose that the private email accounts of public officials such as yourself used to conduct public business are subject to disclosure under the law.

Since this is a gmail account it will be very easy for you to export these emails in mbox format using Google Takeout, and it is this form that we will need to have these emails.

Thank you for your anticipated compliance with this fundamental right granted to we the people by the Constitution of the great state of California.
